

TOWN OF VOLUNTOWN

Dear Visitor:

Welcome to Voluntown.gov. This web page is designed to give residents, businesses and visitors an opportunity to learn more about our great town.

If you're planning to visit Voluntown, you can find out where to stop, eat or even spend the night. If you're looking for a unique vacation destination, or a warm and friendly place to make your home or business, this web site shows why we think Voluntown is a perfect choice. For your use, we have included an up-to-date directory of our many businesses and services.

If you are already a resident or business of Voluntown, then this site is meant to serve you as well. Here you will find a calendar of events, minutes from town meetings, a link to the board of education's web page and so much more. We are also pleased to announce that our community newsletter soon will be available on our site.

We want this site to reflect your interests and needs. Be sure to drop us a line with your comments, news or upcoming events. It is our goal that this web site mirror the character and charm of the Voluntown community.

As Voluntown's First Selectman, I make it my priority to be accessible and representative of the needs of the community. Please contact me with your contributions, thoughts and concerns. You can now reach me 24 hours a day, seven days a week at twilber@voluntown.gov.

Yours truly,

Thomas Wilber
